A Photographic Walking Tour Around Historic Bath

We meet in front of the historic Bath Abbey. From here I will take you on a 2-hour walking tour of the city.

The tours I provide are designed to let people with all abilities utilise either their smart phone or camera to look at the city of Bath through a fresh pair of eyes.

Visual, compositional and technical advice and a good dose of fun will be provided – along with a great knowledge of the city and its hidden gems!

See Bath in a new way and learn how to take great photos, considering:

- composition
- use of light
- subject matter
- storytelling
- unique perspectives

A Bit About Me

My name is Simon and I am a Bath based professional photographer with over 30 years experience in both studio and location work in and around the South West of the UK.
